MESSAGE FROM PRESIDENT

Dear Colleagues, Scientists & Friends,

Greetings!

It is our genuine pleasure to invite and welcome you to attend the **15th Biennial Nuclear Cardiological Society of India** conference in **Faridabad, India**, to be held on **8th–9th March 2025**.

The scope and quality of the scientific knowledge, experiences, and exchanges will make this conference elite in the field of nuclear cardiology research and SPECT-CT, PET-CT imaging, contributing to the global fight for a healthy heart. I'd like to take this opportunity to update you on these important NCSI activities.

The NCSI reflects the importance of scientific and clinical collaborations between our nuclear medicine & molecular imaging specialties and cardiologists and radiologists. Furthermore, pre- and post-treatment assessments require tools and knowledge that are the domain expertise of nuclear cardiology.

The main and special attraction will be the "HOMI BHABHA MEMORIAL ORATION AWARD, 2025."

The conference will involve a full house with enthusiasm, excitement, and representatives with the aim: "To Save The Life of Humans."

Prof. Dr. Karan Peepre,
MD, DRM
President, NCSI

MESSAGE FROM FOUNDER NCSI

Dear Esteemed Colleagues/Friends,

On behalf of the members of the organizing & scientific committees, it gives me great pleasure and honour to extend once again a warm invitation to the **15th Biennial Conference of the Nuclear Cardiological Society of India** to be held at **Sarvodaya Hospital, Faridabad** from **8th-9th March 2025**.

This biennial conference will bring together Scientists, nuclear cardiologist and specialist from all parts of India and outside who will exchange their expertise and invaluable views in this era of evidence based clinical cardiology and cardiac imaging practice.

Additionally this conference will definitely train more & more young nuclear cardiology physician, radiologist and others to develop better skill and clinical judgment which will have valuable implication on outcome of various interventional and non-interventional cardiac procedures.

Once again I would request all to attend this important conference in large number and at the same time to make this conference a grand success & memorable learning point.

“Decision Making is more important than Intervention & Incisions”

“Treatment Should not be harmful than the Disease”

“Understanding is deeper than the Knowledge”

Dr. G.N. Mahapatra

President,
World Federation of Cardiac Imaging &
Clinical Cardiology
Executive President,
WCCICC -2025

MESSAGE FROM ORGANIZING CHAIRMAN

Dear Colleagues, Scientists & Friends,

On behalf of the organizing committee, it is my proud privilege and honor to welcome and invite all the faculty members, distinguished guests, delegates, and sponsors to the “**NCSICON 2025**,” the 15th biennial conference of the **Nuclear Cardiological Society of India**, to be held at Sarvodaya Hospital, Faridabad (NCR) from **8th to 9th March 2025**.

This biennial conference provides an ideal platform for a great academic bonanza, featuring presentations, live interactions, panel discussions, and the latest updates in nuclear cardiology and cardiovascular imaging by eminent national and international faculty members.

An exciting scientific program is being prepared by the scientific committee, with deep interactive sessions, debates, and practical tips & tricks from the experts.

We eagerly welcome you to experience a unique and memorable NCSICON 2025.

Dr. Atul Verma
Organizing Chairman,
NCSICON 2025

MESSAGE FROM ORGANIZING SECRETARY

Dear Friends & Colleague,

We are honored to welcome you to 15th Biennial Conference of Nuclear Cardiological Society of India NCSICON 2025 to be organized on 08th -09th March 2025 at Auditorium, Sarvodaya Hospital, Sector-8, Faridabad.

This premier event will gather leading experts, researchers, and practitioners to discuss the latest advancements and share cutting-edge knowledge in the field of nuclear cardiology.

Our mission is to provide a platform where nuclear cardiology professionals, researchers, and industry leaders can come together to share ideas, exchange knowledge, and showcase new technologies. The presentations by keynote speakers and panel discussions at the conference are all carefully curated to provide a comprehensive insight into the latest research and technologies in nuclear cardiology.

Our team of experts has tirelessly worked to curate an unparalleled experience to ensure you have a great conference experience. You will get the opportunity to explore the latest research in specific areas of nuclear medicine, take part in meaningful discussions, and learn from the best in the field.

We hope this 2 days conference rejuvenates your passion and provides you with valuable insights that help you innovate, discover, and develop techniques for future generations. We welcome you to take the opportunity to connect with fellow professionals in the field and network with them.

Once again, it is our pleasure to welcome you for the prestigious conference.

Warm Regards,

09:15 AM - 10:00 AM	Session - 1 (The Basics)
Chairpersons	Dr. Karan Peepre, Dr. Sanjay Gambhir, Dr. Arun Gandhi
09:15 AM - 09:30 AM	Cardiac Computed Tomography: FINGERTIP CONCEPTS <i>Speaker - Dr. Mona Bhatia</i>
09:30 AM - 09:45 AM	Cardiac Magnetic Resonance Imaging: The FUNDAMENTALS <i>Speaker - Dr. Shoma Mukerjee Sharna</i>
09:45 AM - 10:00 AM	Role of Nuclear Cardiology in Acute Chest Pain in Emergency Department in Clinical Cardiac Practice <i>Speaker - Dr. Atul Verma</i>
10:00 AM - 11:00 AM	Session - 2 (Nuclear Cardiology Status)
Chairpersons	Dr. Chetan D. Patel, Dr. H. Dhanapathi, Dr. Rakesh Rai Sapra
10:00 AM - 10:15 AM	How is Nuclear Cardiology Gearing up for Challenges from other Imaging Modalities <i>Speaker - Dr. G. N. Mahapatra</i>
10:15 AM - 10:30 AM	Status of MPI in Detection of CAD in Women <i>Speaker - Dr. Mandakinee Phukan</i>
10:30 AM - 10:45 AM	Nuclear Imaging in Cardiac Sympathetic Innervation <i>Speaker - Dr. Dharmendra Malik</i>
10:45 AM - 11:00 AM	Road to Diagnosis in INOCA / MINOCA <i>Speaker - Dr. P. K. Pradhan</i>

CONFERENCE AGENDA

DAY -1 (08TH MARCH 2025)

11:00 AM - 11:30 AM

Tea Break

11:30 AM - 12:00 PM

Session - 3 (Panel Discussion)

11:30 AM - 12:00 PM

Assessment of Myocardial Ischemia Post “Ischemia Trial”:
Current Practice

Moderator – Dr. Vijayaraghavan R L

Panelists: Dr. Ashwani Sood, Dr. L. K. Jha, Dr. Mona Bhatia,
Dr. Parveen Kundu, Dr. Rishi Gupta, Dr. Kanhaiya Lal Agarwal,
Dr. Ranjan Modi

12:00 PM - 01:00 PM

Session - 4 (Quantitation in Nuclear Cardiology)

Chairpersons

Dr. Manishi L. Narayan, Dr. Vijay Harish, Dr. Pankaj Sinha

12:00 PM - 12:15 PM

Quantitative Analysis in Myocardial Perfusion PET: All about
MBF & Co!

Speaker - Dr. Harpreet Singh

12:15 PM - 12:30 PM

Quantitative Analysis in Myocardial Perfusion SPECT

Speaker - Dr. Jaspriya Bal

12:30 PM - 12:45 PM

Detection of Silent Myocardial Ischemia in Asymptomatic
Diabetics

Speaker - Dr. Gaurav Malhotra

12:45 PM - 01:00 PM

Current Practice of Nuclear Cardiology in India: Where are We
and What’s the Future Ahead

Speaker - Dr. Anshu Rajnish Sharma

01:00 PM - 02:00 PM

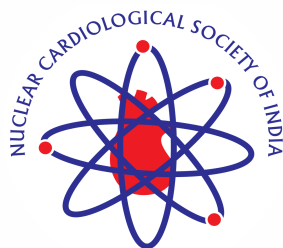

LUNCH

02:00 PM - 02:30 PM

Inauguration (Chief Guest - Dr. Sunil Modi)

02:30 PM - 03:30 PM

Session - 5 (Homi Bhabha Memorial Oration)

CONFERENCE AGENDA

DAY -1 (08TH MARCH 2025)

Chairpersons

Dr. Karan Peepre (President, NCSI), Dr. Vijayaraghavan RL (General Secretary, NCSI)
